

Why Choose Fine Gold and Silver Jewellery?

- Pure Gold and Silver does not rust, tarnish or corrode.
- Gold and Silver can be melted or shaped into almost any design.
- Gold has a warm yellow colour and can be alloyed with other metals to create different colours.
- Silver has a cool sophisticated colour and can be complimented with many precious or semi- precious gemstones.
- Gold can be alloyed with a number of other metals to increase its strength.
- Gold and Silver jewellery is wearable anywhere, day or night. Because it can be worn everyday, it SELLS everyday!
- Gold and silver jewellery is always appropriate and is the perfect fashion accessory – Versatile enough to dress up a pair of jeans or compliment the classic business suit. Whatever your style, it flows brighter with gold and silver.
- Gold and silver never goes out of fashion. From classic ensembles to sexy new lariats or chandelier earrings, gold and silver jewellery allows our customer to express his or her own unique fashion personality.
- The foundation of any fine jewellery wardrobe- Hoops, bracelets, and neck chains – both gold and silver jewellery provides the basics from which customers can add-on and build a versatile and beautiful accessory wardrobe.
- The durable, lasting beauty of Gold and Silver makes it the gift that keeps on giving, reminding the person who received the gift how much they are valued every time they wear it.
